TODO: write the paper for PETS currently, it is the same as the class paper..

ABSTRACT

Abstract here.

Keywords

Privacy, Security, User Studies, Anonymity, Tor

1. WHAT WE ALREADY DID/BACKGROUND STUFF

Text here.

2. DESIGN

In this section, we outline previous research regarding how users understand and act on the Internet, communicating relevant risks to users, and usability of Tor Browser

3. WHAT WE WANT FEEDBACK ON
